

HEALTH & SAFETY POLICY STATEMENT

Complete Medical Australasia Pty Ltd is a wholesale import, manufacturing and distribution company who supply Radiation Protection and Storage Solutions throughout Australia and New Zealand to the medical market including:

- Private and Public Hospital Pharmacies, Theatres, Catheter Labs, Radiology, X-Ray, Pain Management, Angiography, Endoscopy and Laboratories
- Medical Centres, Accident and Emergency Departments
- Universities
- Veterinary Clinics
- Dental Surgeries

Our policy is to provide a safe work environment that protects the health, safety and welfare of employees, visitors and other persons at our premises.

Commitment:

- Comply with statutory requirements, codes, standards and guidelines, including other requirements placed upon the organisation or to which the organisation subscribes
- Establish and maintain objectives and targets with the aim of eliminating work related incidents, injury or illness, and achieving continual improvement
- Define roles and responsibilities for health and safety
- Make available all operating instructions and directions for safe use of our product
- Ensure that purchased equipment and materials meet required standards and do not compromise health or safety
- Ensure that our employees, and providers of labour and contract services are appropriately qualified and competent
- Monitor, inspect, measure and report the effectiveness of our health and safety programs.

Strategies and Objectives:

- Ensure that health and safety management principles are included in all planning activities
- Understand and implement hazard identification and risk assessment practices
- Provide ongoing education and training to all of our employees
- Consult with employees and other parties to improve decision-making in health and safety
- Ensure incidents are promptly investigated and causes are corrected and prevented from re-occurring
- Distribute health and safety information, including this policy, to all employees and interested parties
- Provide sufficient resources to ensure health and safety is central to our workplace
- Ensure effective injure management and rehabilitation is provided to all employees
- Achieve zero injuries and harm to all personnel.

At all times the company will maintain health and safety as a priority, and will not knowingly demand or expect any person to participate in any activities which are likely to be detrimental to their health or safety.
